

Special Projects Funding Application

Thank you for requesting an application to receive special project funding. Your request is one of many that will be considered by the ASI Northwest Board. Each proposal is carefully reviewed and prayed over before a decision is reached.

ASI is unable to fund all the worthy projects submitted, as the only source of our funding is from a single offering received at our annual convention. It is only through God that all things are possible and ASI is thrilled to have partnered with hundreds of projects and entities over the years in sharing Christ around the world.

All applications should be received or postmarked by March 29, 2024.

If you have any questions about the application or application process, please don't hesitate to contact us.

We are enthusiastic about the potential of partnering with God in your project.

In past years applications were mailed. In order to save time and make review easier, we are asking that you submit your application and attachments via email to info.asinw@gmail.com

The team reviewing applications for the board will be:

Ellen Buttler

John Serle

Mark Remboldt

May your ministry be richly blessed as you seek to serve Him.
